Sofia Vergara Brings Her Style to Healthcare with Careisma

Award-winning actress inspires healthcare workers to embrace their individuality with style at work

LOS ANGELES, Calif. – (March 14, 2016) – Strategic Partners, Inc., and Sofia Vergara, award-winning actress and businesswoman, today announced a new line of medical apparel, Careisma by Sofia Vergara. The line celebrates the passion and dedication of healthcare workers and features a bold assortment of figure-flattering styles, a wide selection of solid colors and coordinating prints. As the world's leading designer, manufacturer and distributor of branded medical apparel, Strategic Partners, Inc., is thrilled to be partnering with a world-class style icon. The new line will be available in fine uniform stores and online retailers in April.

"I've seen how hard nurses and other healthcare professionals work, and I wanted to give them an opportunity to proudly embrace their feminine, funny and sassy sides. Careisma is meant to be flattering and fashionable no matter what the day brings," Vergara said.

"Careisma by Sofia Vergara invites healthcare professionals to express themselves with a whole new style. Careisma is defined by Sofia and reflects her personality and allure," said Mike Singer, CEO of Strategic Partners.

The Careisma by Sofia Vergara line offers pants, tops, jackets, long-sleeved tees, signature gold foil branding and a logo charm. The brand also features Certainty® fabric technology in select styles.
